BACKGROUND

Randy Butt's dead body was discovered at 1.10 am in the Main Office of the Pink Pelican nightclub by Mr Philip Starr, the club's Assistant Manager. Mr Starr immediately raised the alarm. Only the eight suspects were in the club at the time of the murder.

Sir Compton Clarke, who owns the club, decided that in the interests of preventing a damaging scandal, he would ask the club's security officer, Ben Bulge, to undertake a preliminary investigation before calling in the police. Ben, a former Police Officer, now runs his own security company.

Upon arriving at the club with some of his staff, Ben surveyed the body. Mr Butt was lying face down and a knife was still embedded in the left hand side of his neck. Ben deduced that he had been stabbed from behind and that death would have been instantaneous. He also noted a recent bruise to Mr Butt's lower left jaw which looked as though it had been caused by a fist.

Upon interviewing the suspects, two people said they overheard Mr Butt quarrelling with someone shortly before his death.

Philip Starr stated that he was in the Filing Room shortly after 1.00 am. Through the wall he could hear two people arguing extremely violently in the Main Office. One of these people was Randy Butt. Philip could not identify the other person.

The argument ended abruptly and Philip thinks he heard a choked cry. He then heard the Main Office door opening, being slammed shut, then footsteps disappearing rapidly down the corridor. After waiting uneasily in the Filing Room for a few minutes, Philip entered the Main Office and discovered the body of Randy Butt.

Sir Compton Clarke stated that shortly after 1.00 am he was in the club Rest Room, waiting for drag queen Cissy Scratch-Hard to finish changing, as he had promised her a lift home. Through the door that connects the Rest Room with the Main Office he also heard Randy Butt having a violent quarrel. Sir Compton, who is slightly deaf, thinks he recognised the voice of the other person. However, as he is not one hundred percent sure, he has elected to mention no names. He agrees that the argument ended abruptly and that someone came out of the Office, slammed the door, and walked hurriedly past the Rest Room door.

However the six other suspects all deny being the person overheard quarrelling with Randy and declare that between 1.00 am and 1.10 am they were elsewhere.

Jasper Daniels states that he was in the Storage Room, looking out some props for the next night's cabaret artiste.

Cissy Scratch-Hard states she was changing in her dressing room, prior to leaving with Sir Compton.

Luke O'Shay states that he was in the Bar Storage area, doing some last minute tidying.

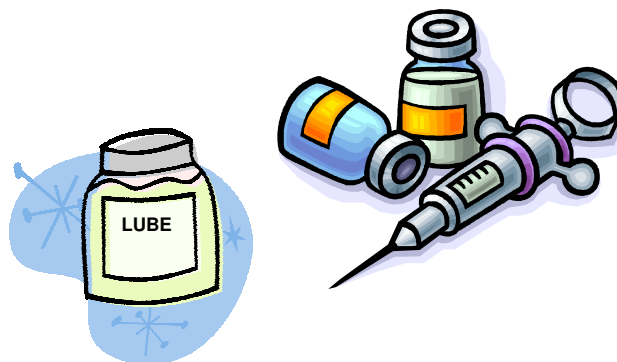

Hamish Hudson states that he was in the Cruising Lounge, waiting to say goodnight to Sir Compton and Cissy.

Drew Anderson states that he was also in the Cruising Lounge. Both he and Hamish Hudson confirm each others alibis.

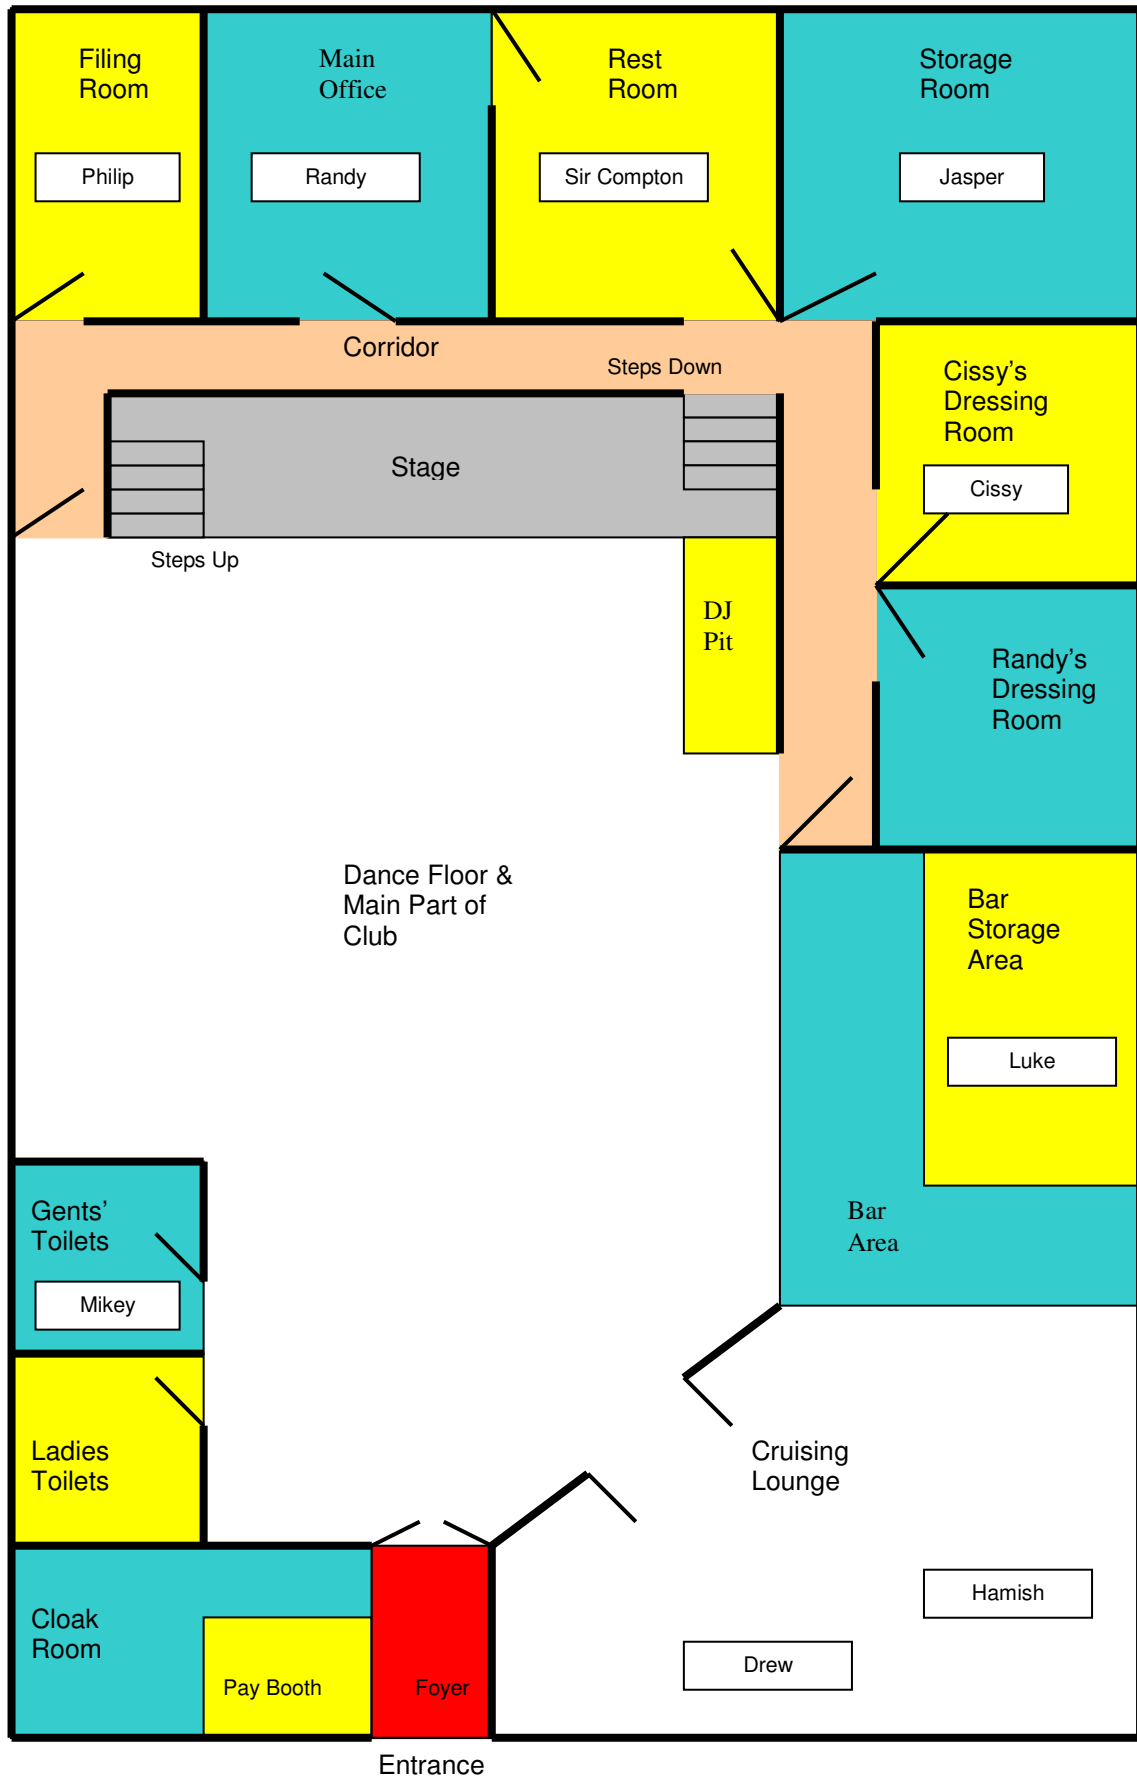

Mikey McDowell was unable to state where he was, but thought it might have been the gents' toilets. The other suspects confirm that, after the body was discovered, they found him lying against the toilet wall, seemingly senseless from drink.

A plan of the club, with everyone's stated position is attached.

It is now 2.00 am. Ben, with the aid of some of his work colleagues, has decided that they have until dawn to solve the mystery. If, by daybreak, the murderer is still unknown, Ben will hand the investigation over to the police. The only action Ben has so far taken is to remove the weapon and test it for fingerprints. Although the knife has been wiped, one half smudged fingerprint has not been removed. Upon taking the prints of the eight suspects, the print on the knife has been matched with a fingerprint belonging to Philip Starr.

MAP OF PINK PELICAN NIGHTCLUB

THE CHARACTERS

The final page of each invitation will inform the recipient of the character that you would like them to play, along with a detailed description of that character's background. So you know the kind of roles that you will have to assign to your guests, copies of those backgrounds are reproduced here. Although no one will play the part of the victim, Randy Butt, I have also included his background for completeness.

RANDY BUTT, 29

The Victim. Muscular Podium Dancer

Podium dancer at the Pink Pelican Night club, Randy was a very fit, very good looking young man, with a body that many gay men would die for. It was rumoured that his muscular physique was assisted by steroids, and that his interest in drugs did not stop there. A well known figure on the streets of London's Soho, Randy was not a man you would want to cross. He was known for being a mean character with a nasty streak. It was also rumoured that, if the offer was high enough, Randy was not above renting himself out for the night. But for that pleasure you had to have a very full wallet!

JASPER DANIELS, 53,

Cigar Smoking, Brandy Swilling Club Manager

You are the club manager at the Pink Pelican. You were appointed manager by Sir Compton Clark, who has provided the finances for the club. You have had great success in running clubs in the past. Some people say you are old fashioned, but you like to stick with what has been tried and tested.

You enjoy smoking cigars and are partial to the odd brandy. Sexually, you are into cute, boyish lads. You like to play the role of sugar daddy, impressing the twinks with your maturity, worldly knowledge and style. Recently you have been playing this role to the Pelican's cute, blond bar guy, Mikey McDowell.

PHILIP STARR, 35,

Snappy Dressing, Career Minded Assistant Manager

Young and ambitious, you mean to make a name for yourself as assistant manager at the Pink Pelican, and from there move on to managing a club of your own. You keep trying to persuade Jasper to be more adventurous in what he offers the gay community, but with little success. However you are sure Sir Compton will notice your talent and reward you accordingly.

You have a small flat in Central Soho. You are not bad looking, and have been known to take the odd man back there after the club has closed. But you prefer to concentrate on your career rather than your sex life. You are very ambitious!

CISSY SCRATCH-HARD, 33,

Razor Sharp Tongued, Razor Sharp Finger Nailed Drag Queen

You are an up and coming drag queen, well known for your razor sharp comments and your razor sharp fingernails. Although you are not earning big money yet, you are building up a loyal following. You recently starred on a “Drag Queen” quiz show special, where you had the satisfaction of outbitching the show’s notoriously bitchy quizmistress. You hope this success will get you more TV work.

You have been chosen by Sir Compton Clarke to figurehead a massive anti-drugs campaign which he is financing. It is to be targeted at the gay community. You have also begun to develop a platonic relationship with Sir Compton. While genuinely liking him, you are also aware that with his diverse media business interests, he could help you make it big in your career.

MIKEY MCDOWELL, 23,

Cute, Blond, Emotionally Unstable Bar Boy

You work as a bar boy at the Pink Pelican. Your blond, cute, cheeky good looks make you exceptionally popular with the older customers and you can make more in tips in one night than you do in wages. However you are also a little emotionally immature and tend to take offence easily. When not at work you can generally be found around the clubs of London, hyperactively dancing the night away in a little crop top.

You prefer older men since you know that with your baby face looks you can wheedle them around your little finger. You have recently been going out with club manager, Jasper Daniels. You thought you had found your ideal relationship. That is until Luke O'Shay came along, throwing a spanner in the works...

LUKE O'SHAY, 25,

Lean, Mean, Masculine, Leather Loving Bar Boy

You are the new bar guy recently employed at the Pink Pelican. You ride into work on your motor bike and, dressed in your leathers, you get many an admiring glance. Within the Pink Pelican your dark, lean, mean good looks have already made you a big hit with the customers. And not only with them...

You are a good worker but keep yourself to yourself. You come across as tough and strong minded. You have also studied martial arts. Most people unconsciously decide it would not be a good idea to get on the wrong side of you.

DREW ANDERSON, 23,

Handsome, Shy, Gorgeously Leg Muscled Footballer

You are a young footballer who, with the right backing, could soon be on his way to playing for England. Currently, however, you play for Fledgely Town. Well, everyone has to start somewhere.

You have only very recently come to terms with your sexuality and are still a little unsure of yourself. You are a nice lad but perhaps a little too trusting. You also have a set of the greatest legs to ever grace a pair of football shorts.

HAMISH HUDSON, 56,

Oversexed, Luxury Loving, Well Hung, Dissipated Journalist

You are a successful freelance journalist who has a taste for the high life. You also have very strong sexual desires. This is unfortunate as you are not particularly attractive and sometimes come across as a lecherous old man. However you are exceptionally well hung!

You are a good friend of Sir Compton Clarke, the newspaper magnate. However you can never be completely easy in his company as he has such power over you. A word from him and all the newspapers in the land would refuse to take your articles.

SIR COMPTON CLARKE, 65,

Immensely Wealthy, Strongly Opinionated Newspaper Tycoon

You are an extremely wealthy widower and newspaper magnate. When your son revealed that he was gay, you immediately went on a steep learning curve regarding gay life and culture. A sideline of this is that you have now decided to invest some of your finances in the gay community. You have provided the backing for the Pink Pelican and have selected the managers personally.

You tend to be very extreme in your opinions and are completely unforgiving to anyone who has crossed you. However you can also be extraordinarily generous. You are very firmly against drugs and have recently provided the finances for a huge anti-drugs campaign directed at the gay community. The campaign is fronted by the drag queen, Cissy Scratch-Hard. Never having met a drag queen before, you are surprised by how well the pair of you are getting on.

BEN BULGE, 34,

Tough, Streetwise, Intelligent Security Expert

A former detective with the CID, you now run your own gay business. Called “Not So Straight Security”, it provides security arrangements for clubs, pubs and casinos around the Soho district of London. You are a tough cookie, very intelligent and streetwise and your business is very successful. Sir Compton hired you to provide the security arrangements for the Pink Pelican.

Today you were running a “skills refresher” course for various members of your staff, dealing with observation and surveillance skills, restraint and disarming techniques, body language awareness and methods of interrogation. The course finished with a meal, a few drinks round Soho, then a trip to the Pink Pelican. Your group left the club soon after it officially closed, and you invited your staff members for a nightcap back at your flat. Moments after getting in, Sir Compton rang you with news of the murder. He asked you to perform a preliminary investigation before calling in the police. You and the members of your staff returned to the Pink Pelican and are now preparing to interrogate the eight suspects. It is an ideal opportunity for your staff to put into practice the skills they learned earlier today.

BEN BULGE’S INVESTIGATION TEAM

A former Detective with the CID, Ben now runs his own gay business. Called “Not So Straight Security”, it provides security arrangements for the clubs and casinos round Soho. You are one of his staff. Today Ben was running a “skills refresher” course, which you attended. The course dealt with observation and surveillance skills, restraint and disarming techniques, body language awareness and methods of interrogation. The course finished with a meal, a few drinks round Soho, then a trip to the Pink Pelican. Your group left the club soon after it officially closed, and Ben invited everyone for a nightcap back at his flat. Moments after getting in, Sir Compton rang with news of the murder.

All of you have now returned to the club, where Ben is going to undertake the investigation. You will be helping him to interrogate the suspects and discover clue items. This is an ideal opportunity to put into practice the skills that you learnt earlier today and, hopefully, unmask the killer!
